

Berns DIY Sketch Packet Program

Berns offers a variety of options to assist in your landscape endeavors. Our professional staff will walk you through each step of the beautification process.

Option I: Berns DIY Sketch Packet Walk In or By Appointment Service

Our professional staff are always on hand and ready to assist. Appointments are not necessary for advice and consultations, but are preferred for larger areas or multiple planting beds which require more attention.

At time of scheduling an in store appointment, a \$100 gift card is required to be purchased. The gift card may be applied to the plant material cost per the sketch packet or any garden center purchase.

What we offer in store:

- 1 hour review/planning stage to break down site/client needs
- Photo rendered design of area
- Plant list per design w/cost estimate
- 10% discount is offered on plant material utilized in sketch packet design

All you need to bring:

- Bed dimensions
- Sunlight exposure of area
- Pictures of area

Option II: Berns DIY Sketch Packet with On Site Consultation Service

A sketch packet design with a one hour on site consultation is available for homeowners who seek a more in depth meeting at their residence.

At time of scheduling an on site appointment, a \$100 site visitation fee and \$100 gift card are required to be purchased. The gift card may be applied to the plant material cost per the sketch packet or any garden center purchase.

What we offer on site:

- On site evaluation of proposed design area
- Advice on plantings and revisions of existing beds
- Suggestions for maintenance, pruning, and relocating of existing plant material as it relates to proposed design area
- Photo rendered design of area
- Plant list per design w/cost estimate
- 10% discount is offered on plant material utilized in sketch packet design

Additional Services are available. Please ask for details.
